All accepted and presented papers will be published in Springer CCIS Series

Date: March 24-25, 2017:: Venue : Calcutta Business School

Some articles from CICBA 2017 will be selected and invited by the Program Committee for extension to be re-reviewed for inclusion in special issues of some reputed journals (SCI / SCOPUS Indexed).

Special Issue for extended Versions:

- 1. Microsystem Technologies, Springer Berlin Heidelberg (SCI)*
- 2. Studies in Computational Intelligence, Springer (SCI)*
- 3. International Journal of Advanced Intelligence Paradigms, InderScience, UK (Scopus)*
- 4. International Journal of Ambient Computing and Intelligence, IGI Global, USA (Scopus)*
- 5. International Journal of Applied Management Science, InderScience, UK (Scopus)*

The name of the other Journals will be announced very shortly.
